

# ST. CHARLES BASKETBALL TRAVEL TRYOUTS

Welcome to Storm's Travel Team Tryouts. Tryouts are from August 30<sup>th</sup> - September 10<sup>th</sup> at East's Sportsplex/Fieldhouse. Players are strongly encouraged to attend both nights of tryouts. It is possible for your child to still make a team if they are only able to attend one night. Dates and times for each grade can be found on our website at [www.stcstorm.com](http://www.stcstorm.com).

Evaluators are chosen by the director of the travel program to evaluate and select the teams. Teams will be posted by tryout number on our website by September 17<sup>th</sup>. Coaches will contact each player who has made the team. If your child makes a team, you will receive an email with instructions on how to complete the payment for the registration fee. It will include an auto login link to your account. We will automatically place your player in our In-House program if they do not make a team unless we are notified otherwise. We will send an email when results are posted, please respond back if you do not want your player to participate in the In-House program.

Teams are parent coached, with coaches chosen by the director of the travel program. Background checks are required for all coaches.

- Our Boys Program has 2 teams (A and B) at each grade level with schedules appropriate to each level. Our Girls Program has at least one team at each grade level with a potential of a second team, if enough players attend tryouts, with schedules appropriate for each level.
- Fee is \$500 plus the cost of the uniform. Fee includes a practice jersey, two practices a week, leagues, home and away games and tournament play. Also included are player development clinics throughout the season. The required uniform package is approximately \$200. Uniform pricing information can be found on our website under *Programs/Travel/General Information*. Uniform Try-on is scheduled for September 19<sup>th</sup> 4:30-7:30pm. Location to be determined.
- Practices will begin in October with games starting in November and running until mid March.
- Practices are generally twice per week depending on gym availability at the middle schools or at various locations in St. Charles. The 7<sup>th</sup> and 8<sup>th</sup> graders play a very light schedule during their middle school season.
- Approximately 40-50 games and 4-6 tournaments are played. While most of the travel is local, some tournaments are away and these are played at the team's discretion.
